Their Future Life

Class History

The most important days of our lives began when we shyly entered McCormick High School in the seventh grade. We conducted ourselves a little more mannerly than we had previously done and looked upon the upperclassmen with envy, even as we proceeded to the eighth grade.

The day we had been awaiting so very long finally arrived, and in our freshman year, we really felt big and

Beta Club holds initiation.

mighty. The girls' and boys' home-room separated--the girls were in the Home Economics room and the boys in the Shop. Being able to choose our own subjects and to decide which clubs to join was really fun and a task, too. Sports entered our lives in this year when we were able to play basketball and football, and in our sophomore year some of us even made first team in the ball clubs.

"Grandma's Best Years" was a big success.

Johnny W., Johnny J., Clare, Lawrence, George and Lou sell candy at ball games.

Mrs. Self, Johnny, Jeff, and Mrs. Osborne overlook Jr.-Sr. decorations.

Decorating for the "Fall Fun Carnival"

Our Junior year was probably our busiest and happiest year before we became Seniors. We had our Junior play, which was a big success, and our Junior-Senior Banquet was really elegant. We were also measured for our rings. This proved to be an exciting experience.

Senior Block "M" Club Members

During our Senior year, we had to work very hard to raise money for our Senior trip. We had a concession stand at ball games, sold magazines, had Senior workday, and had the Senior Play. Now we come to the end of our golden school days, and I know we shall all remember graduation

night!

None of this could have been possible had it not been for the help from our advisors and principal. We thank each of them for the wonderful times we shall hold in our memories forever.

Hurray! The rings are here!

Joyce Crawford, valedictorian, receives diploma from Mr. Corley.

GIRLS' STATE

LOU WORKMAN

MILDRED TALBERT

The representatives of Girls' State spent a full week in our capital city last summer. While they were there, they organized a complete state government. There were seven different meetings for this work, and in addition they were fortunate enough to see many sights in Columbia.

OUTSTANDING SENIORS

Young men from all over the state met in Columbia to attend the annual meeting of Boys' State. These boys met at this conclave to learn by experience the internal workings of our city, county, and state government, conducting themselves like first-hand politicians while running for offices. They were privileged to visit the capitol and legislative chambers.

RSM

McCormick suffered a 26-7 defeat at RSM, as the Hurricanes breezed by the Panthers. Both teams played hard, but RSM managed to ease by the Panthers. This was a sweet victory for the Hurricanes, since McCormick had been treating them very roughly for the past several seasons.

NINETY SIX

The Panthers suffered a crushing defeat as Ninety Six scored a 27-0 win. Ninety Six got off to a good start that the Panthers just could not seem to match. It soon became apparent that McCormick did not have much chance, but the boys kept right on fighting to the end.

HICKORY TAVERN

McCormick put on the steam and was able to avenge its two successive losses by scoring a victory over Hickory Tavern. The Panthers defeated Hickory Tavern 20 to 6. Victory was forecast early in the game when the first touchdown was made.

CALHOUN FALLS

Calhoun Falls ran over the Panthers in a game in which the Panthers suffered a 33-0 loss. Calhoun Falls managed to penetrate the Panthers lines in all four quarters, but the Panthers just could not seem to get up and go.

BELTON

Belton gave McCormick a hard blow as they defeated the Panthers 33-0. It was evident from the first that the Panthers were in trouble, but they never gave up. The Belton players played a good game, both offensively and defensively.

JACKSON

The Panthers edged the Jackson Indians 26-20 at Jackson. McCormick scored in the first quarter, but they failed to make the extra points. Points were again added in the third quarter by both teams. Things got close and tense, but the Panthers were able to keep the Indians from uprising.

FORD

Ford High of Laurens fell victim to the Panthers in a 20-0 win for the Panthers. The Panthers got two touchdowns in the first half and were able to run through the defense of Ford again in the last half.

DIXIE

Dixie outplayed the McCormick Panthers in a 23-0 victory. It was an obvious run away from the looks of things at half time with a score of 20-0. McCormick came back through to hold Dixie to three points on a field goal in the second half.

NORTH AUGUSTA "B"

McCormick lost their last game of the season to North Augusta "B". North Augusta was ready and loaded while McCormick just could not seem to get started. North Augusta scored in every period except the last.

Neal Workman and Dickie Reese worked hard to manage the team.

Mr. Charlie Sanders, Mr. Grover Davis, and Mr. Harvey Bandy work to rebuild team.

*Best wishes to a fine young golfer who will go far;
always stay a nice guy and continue to make that Paw.

TOURNAMENT RESULTS

C. S. R. A.

The boys fell hard in their first game in the Chronicle-Herald, losing to Jackson 43 to 51.

The girls fared somewhat better than the boys in the Chronicle-Herald Tournament. They took their first win from Hollywood 42 to 38 and later beat Wagner 46 to 36. They overpowered a strong Saluda Team 48 to 43.

They played again but all was not well for they went down to Graniteville 43 to 46.

The Pantherettes went into the consolation match against a strong Evans team to lose 29 to 35.

As the man who awarded the trophies said, the fourth place winners in a field of 49 should hold their heads high.

Tommy sinks ball for two points.

Gray waits for rebound as James shoots.

DISTRICT

Soon after one tournament was over, the Panthers went into action in their district tournaments. Both teams should be very proud, as they brought home two beautiful trophies.

The girls defeated Calhoun Falls 37 to 17, after earlier beating Ninety Six 42 to 31.

They played a good game against a tall Dixie team, but because of height the girls fell once again in tourney action 43 to 29.

The boys, somewhat underrated, gave a good accounting of themselves. They first beat Ford 58 to 44, and later beat Ninety Six in the only tourney overtime, 41 to 38.

The seemingly no man's land known only to people six feet and over caused the mighty Panthers to be thrown into the ranks of the defeated by the narrow margin of 49 to 43, in the championship game against Calhoun Falls.

Mildred dribbles in for a lay-up.

Bob jumps for ball.

Beth tries for extra point.
